	Meeting Room 8		
	The ISPCAN Working Group Meeting on Child Maltreatment Data (ISPCAN-WGCMD) cordially invite you to participate in discussions at the seminar to be held on Sunday morning. It will discuss methods and findings and compare similarities and differences among national child maltreatment data collection programs commissioned by governments. It will also explore how to develop new data collection systems in countries where these either do not exist or are in a beginning phase. The ISPCAN-WGCMD is a network of researchers, policy makers and clinicians who are involved in developing systematic national data collection programs, conducting data analysis and utilising the outputs from these endeavours. It is keen to share knowledge and experience as well as to involve new people with an interest in this important area of work.		
15.15 – 16.30	<b>YOUNG PARTICIPANTS' PROGRAM LAUNCH EVENT</b> Summer Garden (Perth Convention Exhibition Centre) Come along and meet the Young Delegates!		
17.00 – 19.30	<b>APCCAN 2009 OPENING CEREMONY, INDIGENOUS WELCOME AND RECEPTION</b> Riverside Theatre, Perth Convention Exhibition Centre
